

FUTURE CARE

for nursing

A Learning, Development and Support Program for Preceptorship Nurses

Professional Development

"I was surprised about how easy the program was able to make an instant impact"
program participant

8 x Sessions on MS Teams

Sessions include: mindsets, self-awareness, foundational skills, resilience, recovery and excellence in teamwork. **Mixed Cohorts.**

Innovative Methodology

Experiential learning with peer support and reflective practice. The **interactive** sessions welcome **contributions** from all.

Pastoral & Peer Support

'It has been helpful to have regular professional discussions with other newly qualified nurses as it has been **reassuring** and **supportive**'
program participant

Time for Reflection

Facilitators create a supportive space for reflections on the nursing role to gain '**immeasurable perspective** from the conversations' and 'realise potential'.
